

THE ULTIMATE **INDOOR**

Ski + Snowboard Simulator Experience

Kids Ski or Snowboard Simulator Session

Let the kids have some fun with an exhilarating 30-minute ski or snowboard session on The Summit simulator. Built to practice alpine carving for all experience levels, they can learn the basics or improve their technique with a personal, qualified instructor.

30 minutes for **\$40.00**

Highlights

- Awesome virtual reality ski or snowboard session!
- Qualified instructor to help them learn the basics or improve their skills
- Advanced simulation technology

What's Included?

- 30-minute ski or snowboard simulator session
- Personalised training session with a qualified instructor
- Rental ski boot or snowboard boot fitting

Kids can have fun, learn the basics and improve their skiing skills with this interactive virtual reality experience. Suitable for skiers at any experience level, they will take on world-renowned runs including Sochi, Beaver Creek and PyeongChang, or instead a customised downhill experience. They can set gates, moguls, powder, ice or bumps to challenge themselves, while receiving guidance from a qualified instructor.

Important Information

- The minimum age for this experience is 5, and the maximum age is 12.
- All participants must have a parent or guardian with them at all times to supervise and to complete a Release and Waiver of Liability Form.
- Participants must wear clothing options which allow for movement and a moderate level of activity. Please bring calf to knee length socks and water to the session.

. See You On the Slopes .
